

Android OS 7, Samsung: Registrazione manuale su rete WIND

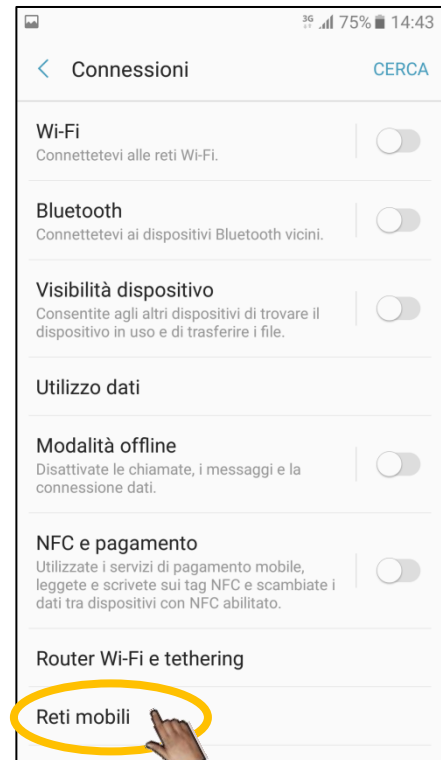

Dalla schermata principale, scorrere verso il basso la **barra delle notifiche**

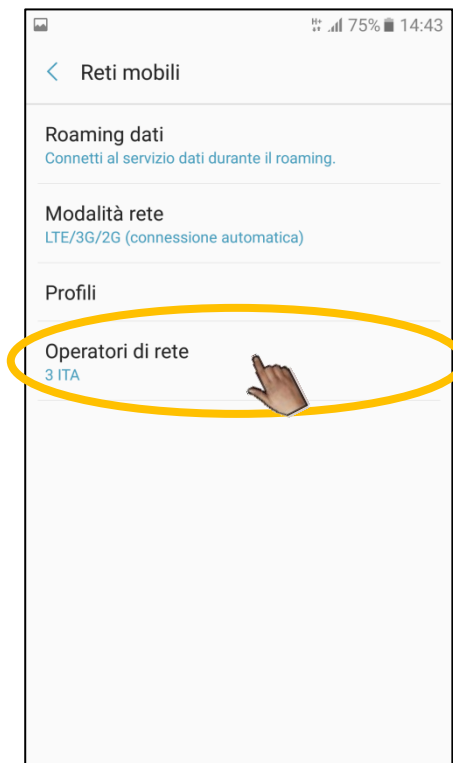

Cliccare l'icona rotella per aprire le **Impostazioni** del telefono

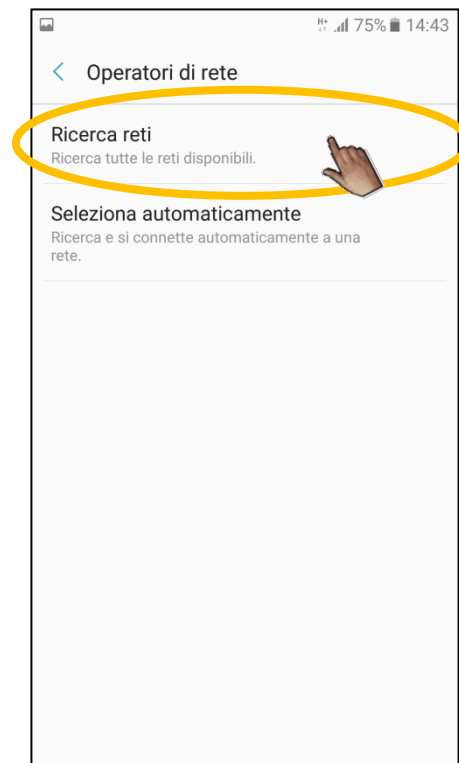

Selezionare **Connessioni**

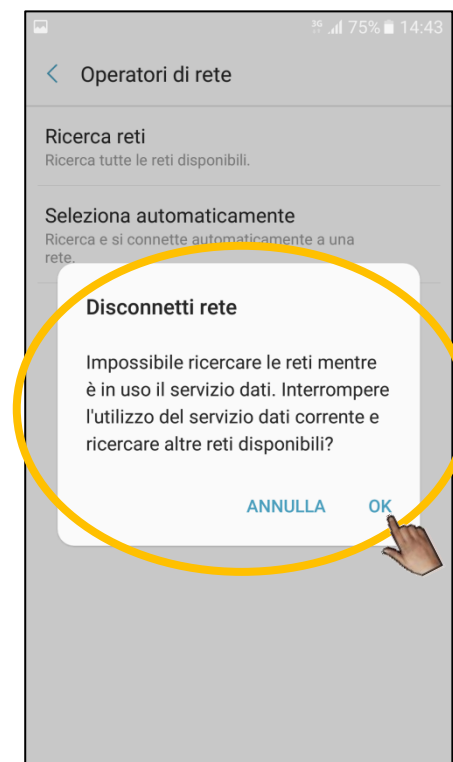

Selezionare **Reti mobili**

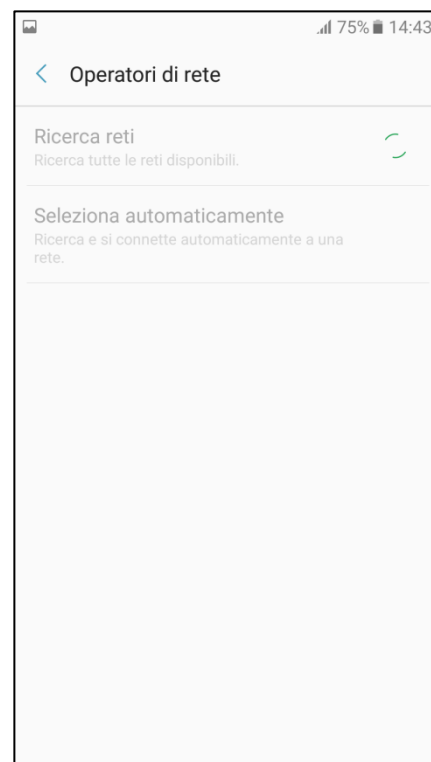

Selezionare **Operatori di rete**

Selezionare **Ricerca reti**

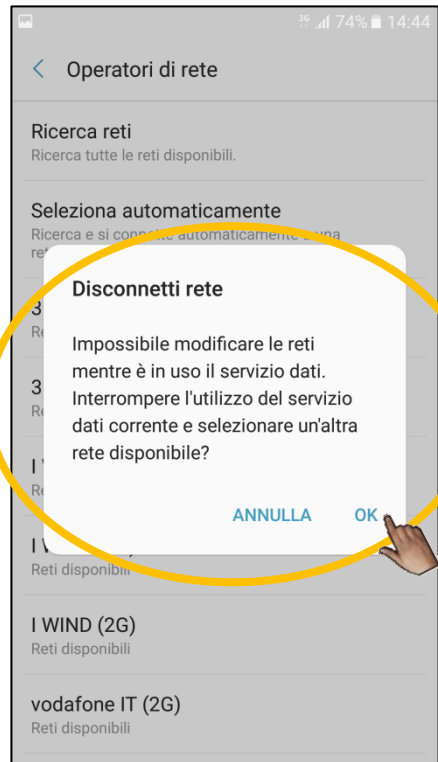

Nel pop-up che compare, cliccare **OK**

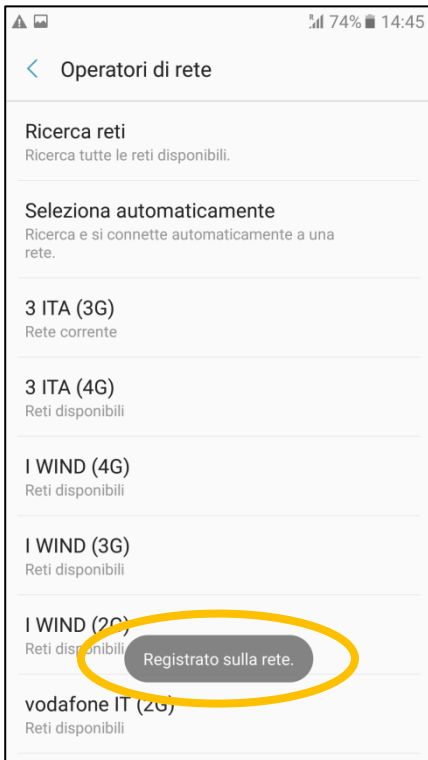

Attendere l'operazione di ricerca rete

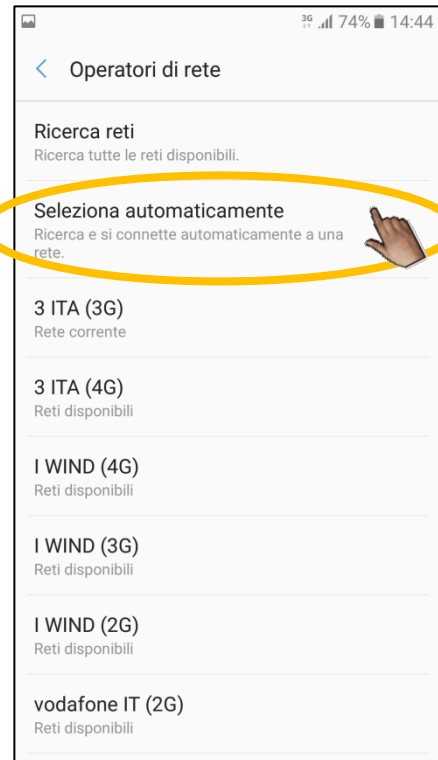

Selezionare **I WIND (3G)**

Nel pop-up che compare, cliccare **OK**

Alla comparsa del messaggio di conferma, **il telefono è configurato sulla rete WIND**

Infine, cliccare **Seleziona automaticamente**
